Prospector™ increases your conversion rate, helping you convert website visitors into students by collecting contact info, automatically storing it in a database of Prospective Students and sending promotional emails to every inquirer you've ever had. Ads in guides and websites will get students to your site, Prospector™ will convert them.

What is your Prospect conversion rate?

Prospector™ Features:

- Conversion Reports
- Advertiser Tracking
- Email Campaigns
- Student Ambassadors
- Prospect Info Capture
- Multi-language Translation

Versation.
